The screenshot displays a web-based legal case management system. The main interface includes a sidebar on the left with a 'Court Case Number' list and a 'Court Case Edit' menu. The top navigation bar contains tabs for 'Case Status', 'Case Record', 'Court Docket', 'Court Orders', 'Court Staff', and 'Court Settings'. The 'Case Record' tab is active, showing fields for 'Case Number', 'Party 1', 'Party 2', 'File Date/Status', and 'Related Cases'. A 'Case Consolidation' dialog box is open, titled 'CONFIRM: CASE CONSOLIDATION'. It features a list of 'Cases to Merge' with '22-1111' selected, and a 'Master Case' field containing '22-1251'. The dialog has 'MERGE' and 'CANCEL' buttons. A red arrow points from the 'CONSOLIDATE' button at the bottom of the main interface to the dialog box. Black arrows indicate the flow of data from the 'Court Case Number' list to the 'Case Consolidation' dialog and from the 'Related Cases' table to the 'Master Case' field.
